

For the last Month Dec 2003 through Jan 2004 we have been getting phone calls from 1-877-282-7810. We have not answered the phone number do to caller id. We are listed with the do not call list and do not know who this is?, nor do we want them to keep calling. Futhermore after we hang up a few min later we get another call "unknown name and number" and have to hang up again. This has become quite anoying and are looking for it to stop. The tally is now at 12 times a day, for 31 days. I was told \$500.00 for each time you are not wanting to be solicited. That would make it \$186,000.00 at the present time. We have kepted it loged in our caller id.
